## THE FIRM

Wolf Haldenstein's Class Action Litigation Group has been recognized by courts throughout the country as being highly experienced in complex litigation, particularly with respect to securities, consumer, ERISA, and antitrust class actions and shareholder rights litigation. The Class Action Litigation Group consists of 35 attorneys and 10 paraprofessional assistants. Brief resumes of these attorneys begin on page 14.

Also included are the resumes of attorneys from other areas of the Firm's practice who routinely lend their expertise to the Firm's class action litigators in the areas of tax, bankruptcy, corporate, trusts, labor, and ERISA law. The ability to call upon the internal expertise of practitioners in such varied areas of the law greatly enhances the strength and efficiency of the Firm's representative litigation practice and, indeed, makes Wolf Haldenstein unique among national firms specializing in class action litigation.

The nature of the Firm's activities in representative litigation is extremely broad. In addition to a large case load of securities fraud and other investor class actions, Wolf Haldenstein has represented classes of corn farmers in connection with the devaluation of their crops; contact lens purchasers for contact lens manufacturers' violations of the antitrust laws; merchants compelled to accept certain types of debit cards; insurance policyholders for insurance companies' deceptive sales practices; victims of unlawful strip searches under the civil rights laws; and various cases involving violations of Internet users' on-line privacy rights.

The Firm's experience in class action securities litigation, in particular public shareholder rights under state law and securities fraud claims arising under the federal securities laws and regulations, including the Private Securities Litigation Reform Act of 1995 ("PSLRA"), is particularly extensive. The Firm was one of the lead or other primary counsel in securities class action cases that have recouped billions of dollars on behalf of investor classes, in stockholder rights class actions that have resulted in billions of dollars in increased merger consideration to shareholder classes, and in derivative litigation that has recovered billions of dollars for corporations.

Among its colleagues in the plaintiffs' securities bar, as well as among its adversaries in the defense bar, Wolf Haldenstein is known for the high ability of its attorneys, the exceptionally high quality of its written and oral advocacy on behalf of class action clients, and its pioneering efforts in difficult or unusual areas of securities or investor protection laws, including: groundbreaking claims that have been successfully brought under the Investment Company Act of 1940 regarding fiduciary responsibilities of investment companies and their advisors toward their shareholders; claims under ERISA involving fiduciary duties of ERISA trustees who are also insiders in possession of adverse information regarding their fund's primary stockholdings; the fiduciary duties of the directors of Delaware corporations in connection with change of control transactions; the early application of the fraud-on-the-market theory to claims against public accounting firms in connection with their audits of publicly traded corporations; and the application of federal securities class certification standards to state law claims often thought to be beyond the reach of class action treatment.

Wolf Haldenstein's performance in representative litigation has repeatedly received favorable judicial recognition. The following representative judicial comments over two decades indicate the high regard in which the Firm is held:

- *Parker Friedland v. Iridium World Communications, Ltd.*, 99-1002 (D.D.C.) – where the Firm was co-lead counsel, Judge Laughrey said (on October 16, 2008), “[a]ll 11 of the attorneys in this case have done an outstanding job, and I really appreciate the quality of work that we had in our chambers as a result of this case.”
- *In Re Dynamic Random Access Memory Antitrust Litigation*, MDL-02-1486 (N.D. Cal.) -- where the Firm was co-lead counsel, Judge Hamilton said (on August 15, 2007), “I think I can conclude on the basis with my five years with you all, watching this litigation progress and seeing it wind to a conclusion, that the results are exceptional. The percentages, as you have outlined them, do put this [case] in one of the upper categories of results of this kind of [antitrust] class action. I am aware of the complexity . . . I thought that you all did an exceptionally good job of bringing to me only those matters that really required the Court’s attention. You did an exceptionally good job at organizing and managing the case,

assisting me in management of the case. There was excellent coordination between all the various different plaintiffs' counsel with your group and the other groups that are part of this litigation. . . So my conclusion is the case was well litigated by both sides, well managed as well by both sides."

- *In re Comdisco Sec. Litig.*, No. 01 C 2110 (July 14, 2005) -- Judge Milton Shadur observed: "It has to be said . . . that the efforts that have been extended [by Wolf Haldenstein] on behalf of the plaintiff class in the face of these obstacles have been exemplary. And in my view [Wolf Haldenstein] reflected the kind of professionalism that the critics of class actions . . . are never willing to recognize. . . . I really cannot speak too highly of the services rendered by class counsel in an extraordinary difficult situation."
- *In re MicroStrategy Securities Litigation*, 150 F. Supp. 2d 896, 903 (E.D. Va. 2001) -- where the Firm was a co-lead counsel, Judge Ellis commented: "Clearly, the conduct of all counsel in this case and the result they have achieved for all of the parties confirms that they deserve the national recognition they enjoy."
- *In Re Toys R Us Antitrust Litigation*, 98 MDL 1211 (NG) 191 F.R.D. 347, 351, 356 (E.D.N.Y. 2000) -- where the Firm served as co-lead and liaison counsel, Judge Gershon wrote: "Class counsel are highly skilled and experienced and can fairly and adequately represent the interests of the class . . . . Counsel for both the class plaintiffs and the States have well-earned the compensation that they request."
- *In Yud v. Saf T Lok*, No. 98-8507-Civ-Hurley (S.D. Fla. Dec. 15, 1999) -- where the Firm was sole lead counsel, the court stated: "The attorneys have done an outstanding amount of work and fine legal work in a short period of time to bring this class action to resolution in a successful fashion."
- *In Kurzweil v. Philip Morris Companies*, 94 Civ. 2373, 94 Civ. 2546 (MBM) (S.D.N.Y. Nov. 13, 1998) -- where the Firm was sole lead counsel, then Chief Judge Mukasey, in approving a \$116.5 million settlement stated: "In this case, this represents a lot of good, hard, serious work by a lot of talented lawyers and I appreciate it on both sides."

- *In Paramount Communications v. QVC Network Inc.; In re Paramount Communications Inc. Shareholders' Litigation*, 637 A.2d 34, 37 n.2 (Sup. Ct. Del. 1994) -- where the Firm was co-lead counsel for the Paramount shareholders, the Supreme Court of Delaware noted "its appreciation of . . . the professionalism of counsel in this matter in handling this expedited litigation with the expertise and skill which characterize Delaware proceedings of this nature." The Court further "commended the parties for their professionalism in conducting expedited discovery, assembling and organizing the record, and preparing and presenting very helpful briefs, a joint appendix, and oral argument."
- *In re Laser Arms Corp. Securities Litigation*, 794 F. Supp. 475, 496 (S.D.N.Y. 1989) -- where the Firm was lead counsel, the Court stated "plaintiffs' counsel have demonstrated their experience in securities litigation and the Court is confident that counsel will proceed vigorously on behalf of all class and subclass members."
- *In re Public Service Co. of Indiana Derivative Litigation*, 125 F.R.D. 484, 486 (S.D. Ind. 1988) -- concerning the construction of the Marble Hill Nuclear Power Plant, where the Firm was lead counsel, the court said: "Throughout the life of this litigation, it has been both vigorously prosecuted and aggressively defended by thoroughly competent counsel on all sides."
- *In re Public Service Co. of New Hampshire Derivative Litigation*, 84-220-D (D.N.H. 1986) -- involving the construction of the Seabrook Nuclear Power Plant, where the Firm was lead counsel, the court said of plaintiffs' counsel that "the skill required and employed was of the highest caliber."
- *In re Warner Communications Securities Litigation*, 618 F. Supp. 735, 749 (S.D.N.Y. 1985) -- where the Firm served as co-lead counsel, the court noted the defendants' concession that "'plaintiffs' counsel constitute the cream of the plaintiffs' bar.' The Court cannot find fault with that characterization."
- *In Steiner v. Equimark Corp.*, No. 81-1988 (W.D. Pa. 1983) -- a case involving complex issues concerning banking practices in which the Firm was lead counsel, then District Judge Mannsman described, in part, the work the Firm performed:

We look at the complexity of the issue, the novelty of it, the quality of work that, as the trial judge, I am able to perceive, and then, finally, the amount of recovery obtained: I think I have certainly said a lot in that regard. I think it's been an extraordinary case. I think it's an extraordinary settlement. Certainly defense counsel and plaintiffs' counsel as well are all experienced counsel with a tremendous amount of experience in these particular kinds of cases. And under those circumstances . . . I think it was, really, the strategy and ingenuity of counsel in dividing up the workload and strategizing the cases as to who was to do what and what ultimately should be done to bring about the settlement that was achieved.

As a leader in this field, Wolf Haldenstein pioneered approaches now commonly used in these types of cases, including the use of futures-based efficient market analyses to fashion damages models relating to the underlying commodity crops. The firm has served or is currently serving as lead or co-lead counsel in some of the most significant biotechnology and agricultural class actions pending in the United States, including:

- *In re StarLink Corn Products Liability Litigation*, MDL No. 1403 (N.D. Illinois) – class action that recovered \$110 million for U.S. corn farmers who sustained market losses arising from defendants' contamination of the U.S. food corn supply with an improperly bioengineered corn seed product.
